

Welcome Business Partners. At GREEN APPLE BANQUET, we go to great lengths to ensure our clients are satisfied beyond their expectations. Our clients request us to recommend service providers of Decorators, Audio/Video coverage professionals, Live Streaming partners. Wedding planners and lot more. We are accmodative of our client requests and we recommend limited curated list of service providers who register with us. Our process of selection of service providers are very strict but very rewarding.

This is your chance to reach out to our clients. Please register below providing your details. You can also upload your portfolio which will be displayed to clients. They will contact you if you impress them with your work.

Please fill the below form to register. We will call you after our initial assessment of your details. All the best.
